

PIEDMONT DIVISION OF THE NMRA PRESENTS:

Gerry Leone, MMR

Vice President of Special Projects and editor of the NMRA eBulletin

June 11th at the Monthly Piedmont Division Meeting

Plan to attend and bring a friend!

This will be a great clinic with information and fun!

Gerry will introduce his Bona Vista Railroad which has been seen in over a dozen videos and articles.

Gerry will be showing you a town-by-town view of the layout, as well as the trackplan and some construction shots. And if all goes as planned, this clinic will be the world premiere of a video of the layout shot by the Model Railroader Video Plus crew last Fall. We'll also take a quick behind-the-scenes peek at Gerry's monthly show on MRVP, "Off the Rails."
